

## Ethical Framework of the Research/ Ethics Committee.

The Committee will do the following-

1. Scrutinize the major and minor research proposals submitted by the faculty.
2. Scrutinizes the synopsis of the Post Graduates as a partial fulfillment of their Master Degree
3. Scrutinize the research papers of the faculty where the name of the college is affiliated
4. Decides the relevance of the conference /workshop theme to the member of the faculty.
5. Motivates the students and faculty to organize workshops and seminars that leads to better research
6. To discourage plagiarism as far as possible.
