A letter found about ^{the} complaint regarding to leave them to lunch at the lunch time.

It is resolved that the college is following the rules governed by the collegiate education SOP

As the Government framed the SOP rules, it was not to allow the students to go out for lunch, they have to bring their lunch box and not allowed to sharing of food, water, pen, books etc. So the college is following the same.

But the students requesting through the complaint that they need to go out for the lunch.

Principal called the students leaders those who have taken the leadership for complaint letter drafting and getting signature of students.

Whole enquiring, it was found that many students who are able to bring their lunch box also found that they have signed asking by forcefully by the leaders.

So we have consulted the university SWO and the college management. As per their instruction, it was decided by the principal and Grievance Cell allow them to lunch for their home if necessary.
